Sir:

RESPONSE TO REQUIREMENT FOR RESTRICTION

Responsive to the Official Action of February 23, 2009 and the requirement for restriction presented in it, applicant elects the subject matter of Group I, claims 33, 47 and 48, directed to medical products. This response is made with traverse to the extent that the non-elected method claims should be rejoined once the product claims are allowed.

Please examine the elected claims on the merits taking into account the documents cited in the International Search Report in the underlying PCT application and the Information Disclosure Statement filed April 18, 2005.
